Share your Story

This event has been designed to showcase the diversity existing in Earth Sciences and to inspire others to reach their career potential through [your](#) personal stories

We are in search of [anyone](#) who would like to share their journey, on how they got to where they are and to show how a career can evolve

The event will be run virtually during the AESC (9th–12th February)

We'd love to hear your stories, so please contact Hannah.Moore@utas.edu.au or Indrani.Mukherjee@utas.edu.au to express your interest in speaking at our diversity event

Not so frequently asked questions

**What is this about?
Another diversity
event?!!!**

Yes! But it's all about you,
your stories and your
colleagues' stories!

We are in search of **anyone**
who would like to share
their journey and the
adventures on the way

**So I have to be a
high-achiever - like
land on the moon?**

Nope! For us geos
Earth is just fine!

You can be in any
stage of your career,
from postgraduate to
senior researcher to
astronaut

**Okay, so I guess this is for women or a
person of colour?**

Nope! We would like to hear from you
regardless of whether you have reached your
position through difficult situations **or not**, the
odds being against you **or not**, whether this is
related to your race, ethnicity, national origin,
disability, sex, sexual orientation, gender
expression, gender identity, age or religion **or
not.**
